Einlagerung

A photograph of a large underground storage facility. The ceiling is made of rough, layered rock. The floor is a smooth, light-colored concrete. In the center, there are several rows of large, rectangular metal drums stacked on pallets. To the left and right of these drums are stacks of smaller, cylindrical barrels. Some barrels are green and some are blue. The overall scene is dimly lit, with the primary light source coming from the camera's flash.

Einlagerung

A large underground storage cavern with a yellow crane lifting a white sack and a yellow truck in the background. The cavern has rough, dark rock walls and a dirt floor. A large stack of white sacks is on the left. A yellow crane with the number 23 is lifting a white sack. A yellow truck is on the right. The word 'Einlagerung' is written in a blue box in the bottom left corner.
